

LEICA X À LA CARTE MY CONFIGURATION

Configure your own unique version of the Leica X with the à la carte design options listed below. **How does the ordering process work?**

After choosing your options and entering your personal details, you can print out the form or email it to a **Leica Store or Leica Boutique**. The Leica Store or Leica Boutique will contact you as soon as your choice has been verified, and your order will be accepted for processing. Of course your dealer will be pleased to show you samples of à la carte cameras and explain the options available.
